

REQUEST FOR PROPOSALS FOR REPOWERING AND OVERHAUL

Date Issued: January 13, 2012

The Cooperative Alliance for Seacoast Transportation (COAST), hereinafter called "COAST", is soliciting proposals for repowering and overhauling of three (3) 2001 Gillig Low Floor, 29 foot buses. Proposals will be accepted at the offices of COAST at 42 Sumner Drive, Dover, NH 03820 until 3:00 PM **February 10, 2012**.

The buses to be repowered and overhauled will be released one at a time to the successful proposer as they are an integral part of COAST's revenue fleet. Work is projected to be completed within three (3) months of initiation of the Contract.

Proposers should note that this procurement is budgeted to a financial assistance contract between COAST and the Federal Transit Administration (FTA) of the United States Department of Transportation (USDOT) for 100% of the contract amount.
